

Seminar on Contemporary Teaching Matrix

An educational seminar indicates a small and, advanced study, while a meeting labelled as such means an intense exchange of ideas. The purpose of a seminar is to enable students to improve their knowledge and understanding of a topic by engaging key issues.

CMS College of Education had organized a seminar on 30th January 2024 on the topic Contemporary Teaching Matrix at Mahatma Gandhi Auditorium. The seminar was inaugurated by the Chief Guest Dr. B. Vanita, Professor and Registrar of Bharathiar University, (Superannuated) Secretary, KG College of Arts and Science. The seminar was declared open by Sri. K. Vijayakumar, Chairman of CMS College of Education. The guests of Honour were Sri. K. K. Ramachandran, President of CMS and Sri. K. Rajagopalan, General Secretary of CMS, Dr. O. B. Pramod Kumar, Secretary of CMSCOE, Vice Chairperson Professor. T. Santha Menon, Joint Secretary Sri. M. K. Rajesh, Treasure Sri. R. Velayudhan Mani, and Principal Dr. M. Leonard Ashok, graced the occasion. The management also invited renowned educational administrator such secretaries, principals of schools and other luminaries who are connected with educational administration.

The seminar overviewed on modern teaching methods which focus on assisting the learner to form new and innovative ideas and make teaching enjoyable. The seminar focused on equipping the teacher trainees with a repertoire of skills, to meet the learning needs of the present century learners in the society, and it was a gateway to our students to expose themselves before the able educational administrators.

The objective of the seminar was mainly to help the present day school teachers and the student teachers enable themselves in the following aspects.

- ❖ For magnifying the modern techno skills needed for the present teaching learning process
- ❖ Change of policy scenario in education as per the New Education Policy
- ❖ Gain insight in using various digital tools for modern assessment practices
- ❖ To become a trail blazer and the present teaching scenario, in par with the Global Education Trends
- ❖ To be aware of cultural sensitivity and community engagement
- ❖ From the perspective of a teacher
- ❖ To overcome resource discrepancies in all aspects and dimensions of teaching
- ❖ To become more efficient in strengthening the ties between the school management, parents and the society

- ❖ To gain awareness on cybercrimes and facilitating proactive mitigation strategies
- ❖ To enhance their professional ethics and morale and to enhance the practical teaching pedagogy apart from the present syllabus.

The seminar left a lasting impression on every Student teacher, reminding them the power of contemporary teaching methods with new and innovative ideas for the present century learners in the society. To achieve this new vision, teaching and learning in classrooms will need to change, and so, too, will professional learning opportunities for teachers. An evolving understanding of how best to teach subjects, represents a significant transition in the way subjects currently taught in most classrooms, will require most teachers to alter the way they teach.
