CMS COLLEGE OF EDUCATION

Report on Placement – 2022

CMS College has achieved a remarkable 100% placement drive, ensuring the success of its students in the past years. Through dedicated efforts, industry connections, and skill development, they have secured outstanding job placements, making it a top choice for career-focused education.

Placement training commences with a comprehensive resume writing program was initiated by Dr. M. Leonard Ashok, Principal CMS COE. This initiative aims to equip students with the essential skills and techniques to create impressive resumes, laying a strong foundation for their successful job applications and career advancement. College faculties also facilitated the students, in achieving the placement through various initiative programmes on various topics such as,

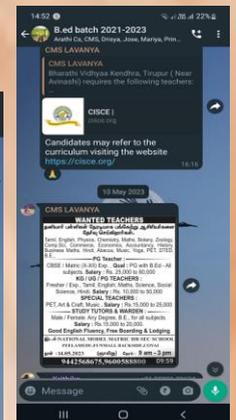

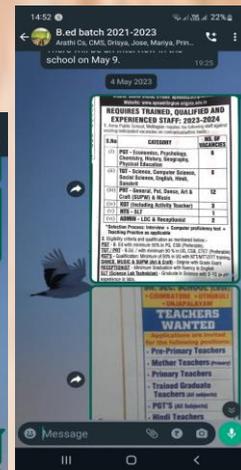

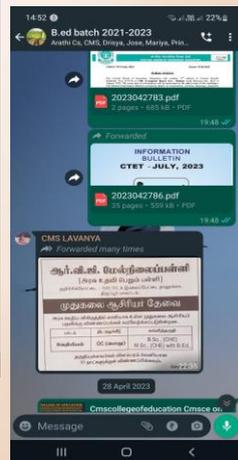

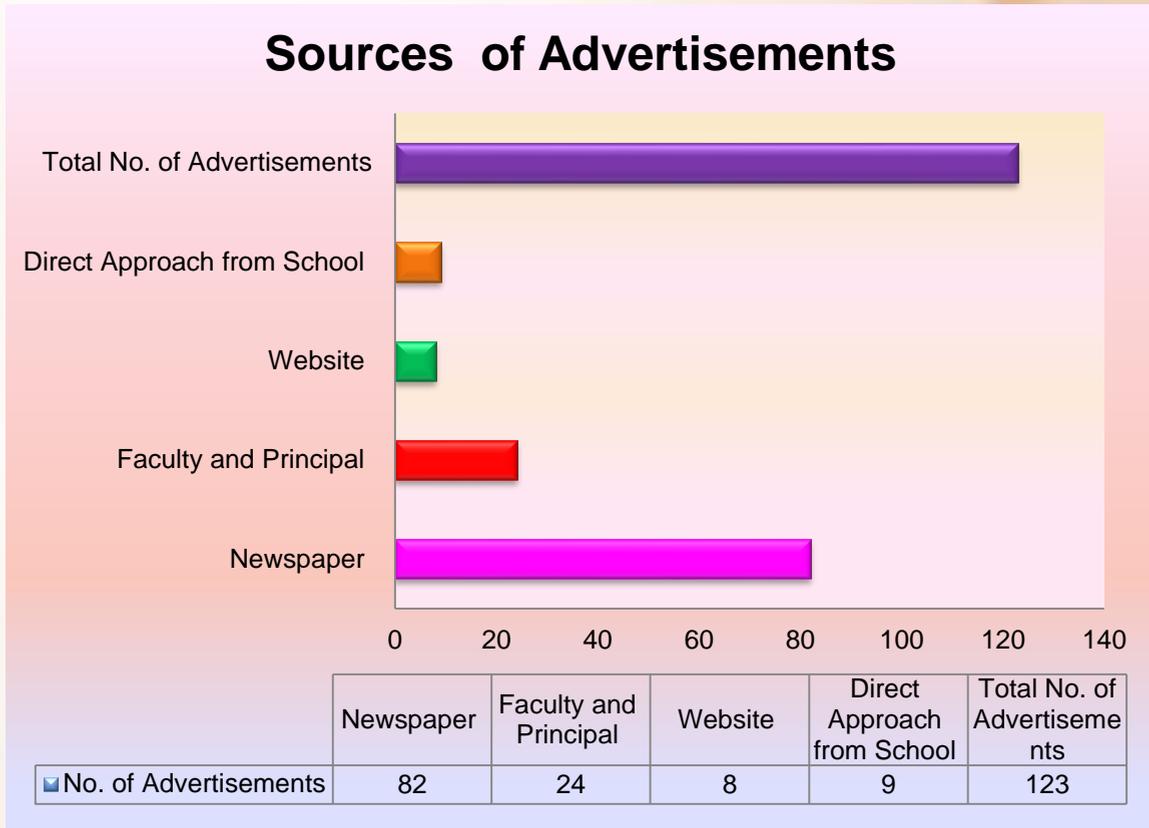

- * Resume Writing
- * Self Confidence & Motivation
- * Positive Attitude
- * Leadership Skills
- * Interview Skills
- * Emotional Intelligence
- * Teacher Attitude
- * Job Involvement
- * SWOT Analysis
- * Self Awareness

CAMPUS INTERVIEWS

The campus interview takes place within our college premises, attracting diverse schools for recruitment. These interviews involve various levels of assessments to select candidates from CMS College of Education. Approximately nine schools have participated and successfully recruited our students, offering them job opportunities.

The success of these campus interviews is evident in the number of students who have been recruited by the participating schools. Through the college's efforts and the students' dedication, the program has facilitated numerous job placements, giving students a head start in their careers.

PLACEMENT - TYPE OF SCHOOLS

The placement report at CMS College of Education showcases the involvement of nine different schools. The number of students recruited includes 38 from CBSE schools, 13 from Matriculation schools, 3 from ICSE schools, 1 from a government or government-aided school, and 7 from other schools, including tuition centers. These successful placements across various school types exemplify the college's commitment to nurturing capable and skilled educators for the benefit of the education sector.
