

## *SEMINAR ON CONTEMPORARY TEACHING MATRIX*

On February 10, 2024, a seminar on “Contemporary Teaching Matrix” was held at the Mahatma Gandhi auditorium at CMS College of Education. The programme aimed at providing basic ideas related to recruitment of teachers. The programme started with prayer, followed by a welcome address by the Principal, Dr. M. Leonard Ashok, who also introduced us to the basics of the programme.

Dr. O. B. Pramod Kumar, Secretary and Sri. M. K. Rajesh, Joint Secretary of CMS College of Education, felicitated the gathering. They gave their views on the quality of teachers and a detailed explanation of the placement process at CMS College of Education.

Later, the chief guest of the day, Smt. P. S. Sripriya, Principal of CMS Matriculation Higher Secondary School, focused on providing information related to placement and the selection process of teachers in schools, in detail. She also emphasised the quality and integrity of the teachers in contemporary India.

Sri. E. C. Sabu, the Vice Principal of CMS Matriculation Higher Secondary School, also addressed the gathering. He spoke about the quality of teachers. He also gave some real-life examples emphasizing the mindset of students and some ideas on handling students’ behaviour.

Overall, the seminar provided more ideas on the expectations of schools in the recruitment process and the importance of teachers’ behaviour and quality. The vote of thanks was proposed by second year student Ms. N. Nandhini, and the programme ended with the National Anthem.
