ABOUT THE COLLEGE

C.M.S College of Education was founded by the Coimbatore Malayali Samajam in the academic year 2008 – 2009 and has been accredited by NAAC with 'B' Grade. The college offers an excellent arena for the teachers to be professionally trained and uphold the ethical and moral values of this noble profession. The college strives hard to assume the responsibility of shaping the destiny of teachers and endeavors to do full justice to it, being a dedicated teacher education institution. Our aspiration is to be the most esteemed institution for offering B.Ed Course, which can only be attained by considering not just what we do but how we do it.

SPECIAL COACHING CLASSES FOR TET & TRB

CMS College of Education provides free coaching for all teacher trainees. CMS College of Education is a unique training institute for clearing the competitive exams by focusing on rendering best teaching and supporting the students in their endeavors. We provide TET & TRB classes for students those who completed PG in Commerce & Computer Science. We conduct online tests regularly for our students in these coaching classes.

SPOKEN ENGLISH CLASSES

CMS College of Education offers the best Spoken English classes which help trainees to communicate in English fluently within a short span of time. Experience in English language training has made CMS adopt various training methodologies for teaching spoken English. Various practical sessions are provided to enhance the vocabulary, spoken and written English skills of the trainees.

2017-2018 UNIVERSITY EXAMINATION RESULTS

We are delighted with our pupils' excellent achievements in the University Examinations over the past years. We are proud to flourish that G.D. Roopa, Dept. of Mathematics, has secured District Rank in University Examination for the Academic year 2017-2018. It is a matter of pride for us to say that **centum** result have been produced by I year students and 98.93% by II year students. 88 I Year students and 87 II year students have secured distinctions. It is indeed a breakthrough performance of students in the history of the college.

PLACEMENT CELL

The college has a Placement Cell. It organizes Placement Training Programmes during the month of March, every year. The goal of the Placement Cell is to provide employment opportunities and training to students, facilitate the process of placement and ensure that all eligible students get an opportunity to work in schools. The cell provides complete support to the visiting schools at every stage of the placement process. Almost all our students are placed well in reputed schools for a decent salary.
